Tokyo Metropolitan Government Certified Locally Sourced Food Products

(E-Mark Certified Foods)

About E-Mark Certified Foods

E-Mark Certified Foods are products unique to Tokyo, which use ingredients sourced from Tokyo or are made using traditional production methods carried on in Tokyo.

The Tokyo Metropolitan Government (TMG) reviews and certifies products based on aspects such as the care and attention to detail put into the product, as well as the taste and quality. Certified products can then display Tokyo's own E-mark logo. The TMG promotes these foods as Tokyo specialty products at various events and on select websites, as well as through other means.

About the E-mark logo

The three “E”s in the center of the logo represent the Japanese character for product or “shina.” When “E” and “shina” are combined, the word formed can be pronounced “ii-shina,” meaning excellent product in Japanese.

Example of placement of the E-mark on products

Excellent Quality

Exact **E**xpression

Harmony with **E**cology
